

Haynes House and Store
CE - 960
Near Earleville
Private

C. 1850-1860

A single story frame store building has been attached to this mid 19th century two story five bay center hall frame house for a major portion of the 19th century. The store managers who appear on the historical maps apparently rented the property from other land holders since their names do not surface on 19th century titles to the ten and a half acre property. In 1877 a William Haynes is listed while a George R. Van Sant was the store proprietor in 1858.
